# Remote installation for RMF-GD002W / RMF-GD002

Please note: remote will not work until remote is registered with the TV.

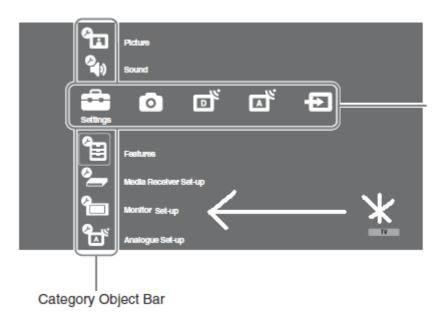

1 Press (b) to turn on the unit power.

Using the buttons on the media receiver only, press the HOME (9) button (menu will show on screen).

3. Using the volume (left/right) and channel (up/down) Buttons (11 & 12), navigate down the category object bar until you get to Monitor Setup.

Press the OK button (10) to enter Monitor Set-up menu.

- 4. Using the channel down button, go down the menu till you get to Remote control set-up. Press the OK button (10) and follow the instructions on the screen to register the remote.
- 5. Remote set-up complete.
